*ANDA RISHNA 4490 NW Columbia Ave. Portland. OR . 97209. USA.***II. Basis for Jurisdiction**

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

Write a short and plain statement of the claim. Do not make legal arguments. State as briefly as possible the facts showing that each plaintiff is entitled to the damages or other relief sought. In trying to address this (see additional pages attached), I have been repeatedly sabotaged (my efforts) terrorised, intimidated, and brutalized, to prevent me from progressing and also to address these matters too. I am severely unwell from it, and being kept unwell, But not crazy, instead mad, and in a lot of pain, for as long as "the crew" behind it can keep it going, unprovoked by us, nor provoking torture it, abuse upon abuse, torture sequences to provoke responses, relentlessly until one is given, so more abuse, etc can then result, ongoing over a 23 plus yr period,
